

December 28, 2020

Dear Friends of Bad Axe,

The Bad Axe Historical Society is again conducting its annual financial and membership campaign. Thank you for your support in the past. We have several projects to continue to complete. In 2020, the museums were unable to open due to the Covid-19 pandemic. This gave us the opportunity to clean, sort, and identify areas of need.

*The Bad Axe Museum of Local History is dedicated to the preservation of the history of Bad Axe. This year the front walk from the main sidewalk to the museum porch needs to be replaced as the cracks etc. could cause stumbling. **Our fund-raiser this year will be a brick paver campaign to landscape this area. As you approach the museum, bricks engraved with names from past and present families, businesses or individuals will add to the history of Bad Axe. Enclosed is more information about the Brick Campaign. These would be a unique gift to share with family, employees, or businesses to be a part of the memory and history of Bad Axe.***

Please use attached order form to purchase bricks:

-All donations will include a one-year membership to the Bad Axe Historical Society

-Patrons will continue to be recognized as "Friends of the Bad Axe Historical Society" on the display board in the garden, and will receive a brick included in their donation.

-We are planning to install the bricks in the late spring of 2021.

-Use a separate order form for each brick.

Cost:

Engraved Bricks - Small \$30.00 or Large \$50.00

Gold Patron (\$250.00+) Silver Patron (\$100.00+) Bronze Patron (\$75.00+)

The Historical Society has a small membership. It is an entirely volunteer organization. We actively look for new members and financial aid to operate to our fullest. We appreciate your financial assistance to keep the museums open, and available to all.

Would you be willing to share your e-mail to be able to inform you of activities? e-mail _____
